# TOPON Reseller Onboarding Kit

Congratulations!

Congratulations! Your application to become a TOPON reseller has been accepted.

This document is a brief guide for how to sign into your new account on the TOPON reseller website: **https://shop.topon.app**

IMPORTANT: Please ensure your login username, password, and secret key are kept securely in order to prevent unauthorized access to your account.
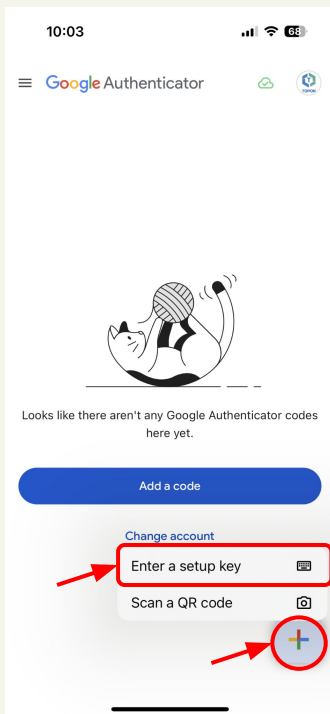

First, set up 6-digit OTP in Google Authenticator...
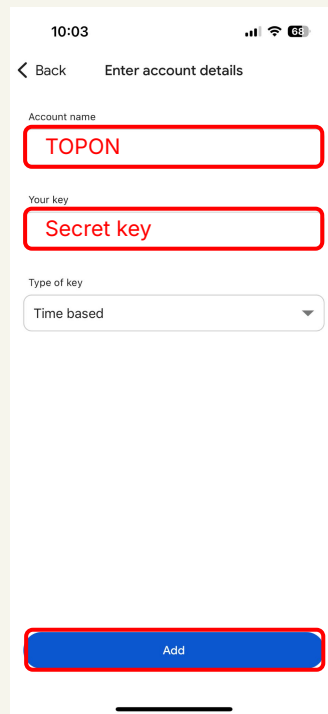

**1. Install the Google Authenticator app on your phone.**

Link: iPhone / Android

2. Add a code by selecting the "+" button and pressing "Enter a setup key".

3. Type "TOPON" for account name and enter the "Secret key" we provided by email. Select "Time based" and click "Add".
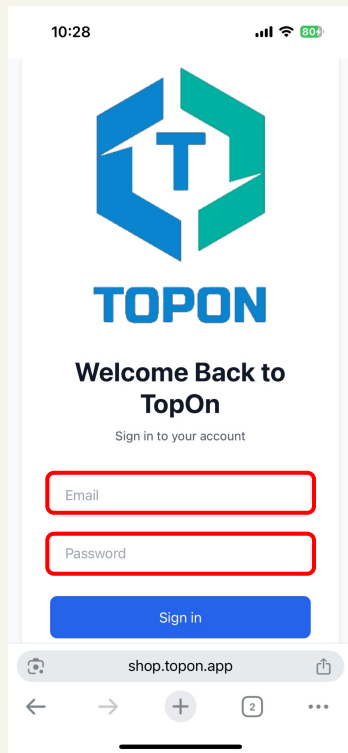

**4. After clicking "Add", OTP should be generated, as shown in the picture below.**
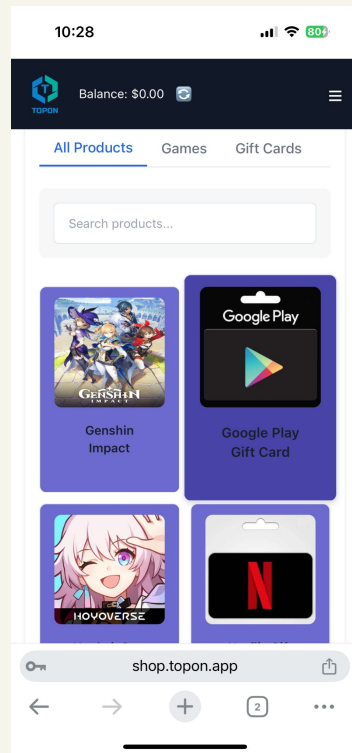

Next, sign into your account…

1. Go to the reseller website at https://shop.topon.app/login and enter your email and password

2. Enter 6-digit OTP from Google Authenticator app.

3. You're now signed in!

Thank you!

And let's start our journey together!
